The PCLOB has been notified by a significant number of witnesses that they are unable to testify at the October 4, 2013 public hearing due to the federal government lapse in appropriations. As a result, the PCLOB deems it necessary to reschedule the event. We will keep you apprised of the new hearing date. During the current lapse in government appropriations the PCLOB intends to use its FY2013 carryover funds to remain in operation and continue its examination of the surveillance programs operated pursuant to Section 215 of the USA PATRIOT Act and Section 702 of the Foreign Intelligence Surveillance Act.
